**STATE OF ILLINOIS**

**Lisa Madigan**  
ATTORNEY GENERAL

April 5, 2017

Dear Friend:

Survivors of rape, molestation and other forms of sexual assault rely on you – nurses, physicians, sexual assault service providers, law enforcement and prosecutors – to treat their physical wounds, provide them with justice and help them endure severe emotional trauma while beginning the difficult recovery process.

In the criminal justice system, we rely on those who first treat victims of sexual assault to collect the evidence used to identify, prosecute and convict the assailants – crucial steps to providing some sense of peace and security in the victims' otherwise shattered lives. No matter what role you play in this critical process, your invaluable work places you on the frontline in the fight against sex crimes and makes you one of the most important people in victims' lives.

I would like to invite you to attend a training designed to improve our response to sexual assault patients: the Pediatric/Adolescent Sexual Assault Nurse Examiner Training.

The **Pediatric/Adolescent Sexual Assault Nurse Examiner Training** is an important 40-hour training designed to educate registered nurses, mid-level providers and physicians performing sexual assault medical forensic examinations. The Pediatric/Adolescent SANE Training will be held May 23 – 25, from 8 a.m. – 5:30 p.m. at Advocate South Suburban Hospital in Hazel Crest. Fourteen hours of the training are to be completed online and through homework assignments prior to the three-day classroom component. Instructions regarding the online and homework component will be released on Monday, April 24, and students must complete the online coursework and homework assignments by Thursday, May 18.

## 4.1.1(b) EQUAL EMPLOYMENT OPPORTUNITY AND DISCRIMINATION POLICY

### (1) Equal Employment Opportunity and Discrimination Complaint Investigation Procedure.

(A) **Purpose.** In accordance with the statement of policy outlined in section 4.1.1 above, this office affirms its commitment to a policy of equal employment opportunity through the implementation of an EEO complaint investigation procedure to promote the internal resolution of employee complaints of alleged discrimination. It is the conviction of the office that the establishment of this EEO complaint investigation procedure shall provide an internal avenue of redress to informally resolve complaints of alleged discrimination at the lowest organizational level, reducing the backlog, delay, and expense of a prolonged formal investigation.

To that end, supervisors are responsible for the resolution of valid complaints of discrimination within their organizational level. The EEO Officer shall advise and support management in the investigation of complaints, documentation of facts, the presentation of findings, and recommendations to resolve the dispute.

The use of this EEO complaint investigation procedure does not preclude the right of an employee to file a charge directly with the Department of Human Rights or the Equal Employment Opportunity Commission (EEOC) or any other appropriate government agency. The filing of any complaint of alleged discrimination may not be used as a basis for future retaliation adversely affecting the rights of any employee.

(B) **Procedures.** The Discrimination Complaint Form shall be used to clearly record the date, nature, and other pertinent information of the complaint or alleged discrimination submitted to the EEO Officer for investigation. Forms are available in Human Resources.

**1. Scope and Timeliness.** Unless of a continuing nature, all complaints must be received by the EEO Officer in writing within ten (10) working days of the date of the alleged discrimination. The scope of the investigation shall be restricted to the specific allegations cited in the charge.

**2. Intake Screening.** Immediately upon receipt of the Discrimination Complaint Form, the EEO Officer shall review the form to determine the initial timeliness, validity, and thoroughness of the information submitted in the complaint.

**3. Investigation.** Within ten (10) working days of the acceptance of the complaint, the EEO Officer shall initiate a thorough investigation of the allegation(s) of discrimination cited in the complaint. In order to document the merits of the charge,

the investigation shall entail the verification of information with the immediate supervisors, staff, and witnesses to the alleged discriminatory employment practice. The investigation shall be completed twenty (20) working days after acceptance of the complaint.

**4. Withdrawal of the Complaint.** The complaint, or any part of the complaint allegation, may be withdrawn by the employee during the investigation through a written request for withdrawal by the complainant to the EEO Officer.

**5. Adjustment During Investigation.** If, during the investigation of the complaint, a settlement is reached between the appropriate supervisory person and the complaining employee, the settlement agreement shall be obtained in writing with the approval of management before the complaint shall be considered by the EEO Officer.

**6. Dismissal of Complaint.** If, after an analysis of the merits of the complaint, there is a lack of substantial evidence that discrimination has occurred, the complainant shall be notified in writing within twenty (20) working days after acceptance of the complaint of the findings and informed of the right to appeal to the EEO Investigatory Commission

**7. Investigation Findings.** If, however, at the conclusion of the investigation, there exists reasonable cause to believe that discrimination may have occurred, the EEO Officer shall submit a written notice to the immediate supervisor and the Chief of Staff or designee with the findings and recommendations to resolve the complaint. Within five working days, conciliation efforts shall be initiated, and the EEO Officer shall participate to seek an equitable resolution of the complaint.

(C) **Conciliation Efforts.** The EEO Officer shall conduct and coordinate conciliation efforts by conferring with the parties in an attempt to secure a settlement. A conciliation conference may be convened, which all parties may attend in person or by representative, to propose, discuss, and agree to a resolution of the complaint.

If the complaint cannot be satisfactorily resolved at this level within five (5) working days, the EEO Officer shall document the efforts made to resolve the complaint and shall provide a written explanation of the reasons why the complaint was not able to be resolved.

The findings, conciliation efforts, and proposed settlement shall be forwarded to the Chief of Staff or designee for the final review, approval, or other determination. The Chief of Staff or designee shall make known to the EEO Officer the official position of the agency within five (5) working days of the receipt of the EEO Officer's written report.
